

Disabilities

Quotations "People with disabilities have abilities too and that is what this course is all about - making sure those abilities blossom and shine so that all the dreams you have can come true."

- Mary McAleese

"If we want to discover the full potential in our humanity, we need to celebrate those heartbreaking strengths and those glorious disabilities we all have. It is our humanity and all the potential within it that makes us beautiful."

- Aimee Mullins

Questions

- Do you know anyone who has a disability?
- What are some common disabilities?
- How are disabled people treated in your country?
- What does the government do to help people with disability?
- Is it possible for people with wheelchairs to travel easily on public transport in your country?
