

# Future

**Quotations** "It is not in the stars to hold our destiny but in ourselves."

- William Shakespeare

"You cannot escape the responsibility of tomorrow by evading it today."

- Abraham Lincoln

## Questions

- When you hear the word 'future', what does it mean to you?
- What will your home town look like in 75 years from now? Try to think about architecture, fashion, work, shopping, leisure time, pollution and crime.
- Could the world survive without fossil fuels?
- How will India and China develop in 75 years from now? How would the world change as a result?
- Will people get to live on another planet, like Mars or a moon like Titan?
- How will children be educated in schools 100 years from now?
- What are your plans for the future in; 5 years, 10 years, 15 years, 25 years?
- How will medicine change in the future?
- What problems can you foresee happening in the future?
- What future events are you most looking forward to?
- How will your country change 200 years from now?

**Presentation** Present a forecast of how your home town will change 100 years from now.
