

Qualifications

Quotations "There's more to life than passing exams, and paper qualifications can only take you so far. A lot depends on luck, and on being in the right place at the right time, which was certainly true in my case."

- Terry Wogan

"To separate children from others of similar age and qualifications solely because of their race generates a feeling of inferiority as to their status in the community that may affect their hearts and minds in a way unlikely ever to be undone."

- Earl Warren

- Questions**
- What qualifications do you have? Which are the most useful?
 - Are all qualifications recognised by all employers?
 - What qualifications would you like to have in the future?
 - What qualifications does your teacher have?
 - Should leaders of countries have minimum qualifications?
 - If you had a company and were recruiting people, would you rather have someone who had lots of experience but with few qualifications, or someone with lots of qualifications but no experience?
 - Is there a qualification that everyone should have?
 - Should parents have qualifications so they can raise their children properly?
 - Has the attainment of qualifications become just another business?
 - Can all human skills be taught through a qualification?

Presentation You are creating a new qualification for the 21st Century design the key elements of this new course and explain what people will learn and how it can be used in a modern work environment.
