

Canada

Quotations “Canada was built around a very simple premise. A promise that you can work hard and succeed and build a future for yourselves and your kids, and that future for your kids would be better than the one you had”.

- Justin Trudeau

“Canada is a good country to be from. It has a gentler slower pace - it lends perspective”.

- Paul Anka

- Questions**
- What do you know about Canada and its history?
 - What is Canada famous for?
 - What do you know about Canada’s Aboriginal people and the influence they have on the culture of Canada?
 - Do you know about Canada’s government and politics?
 - How do you feel about Canada’s policies on the clubbing of baby seals and skinning them alive?
 - What are the nationalities that make up Canada?
 - What religions can be found in Canada?
 - What contributions to music has Canada made to the world?
 - What do you know about Canada’s terrain?
 - Who immigrates to Canada?

Presentation Ask students to compare the United States with Canada and which would be a better choice for them to live. Use data from the Internet to best compare the countries in a dispassionate way.
