

China

Quotations "No matter what China is going to become, China will never recover her true originality if she tries to please the West on Western terms."
- Thorsten J. Pattberg

"Truth has always been relative in China, but political power has not, they say, and the same is still true today."
- Rob Gifford

- Questions**
- What do you know about China's history? (Dynasties, inventions, famous monuments, art work and architecture)
 - Napoleon said, "Let China sleep, for when she awakes, she will shake the world". Do you believe his prediction is coming true?
 - China had a "one child per household" rule, which has now been lifted. What was the benefit of this rule? What devastations happened because of this rule?
 - China is increasing in both power and wealth. Is this something world powers should be watching closely?
 - What do you know about China's Human Rights violations?
 - China's Internet control, The Great Firewall of China, is considered more extensive than in any other country in the world, blocking website content and monitoring the access of individuals. What do you think about this?
 - What are China's main exports? Who do they mostly sell their goods to?
 - Do you believe life in China is easy or hard for the Chinese?
 - What are your views on China's policies towards Tibet and Taiwan? What do you know about China's relations with Russia and N. Korea?

Presentation You are to make a presentation on an ancient landmark in China. Using the internet research your topic and then present your findings to your classmates.
