

Brains

Quotations "You have brains in your head. You have feet in your shoes. You can steer yourself in any direction you choose. You're on your own, and you know what you know. And you are the guy who'll decide where to go."

- Dr Suess

"By all means let's be open-minded, but not so open-minded that our brains drop out."

- Richard Dawkins

Questions

- Is the brain amazing?
- What do you feel is the most mysterious thing about the brain?
