

# Camping

**Quotations** "Living inside the shuttle was a little like camping out. We ended up sleeping in our seats. You had to pay attention to housekeeping, not get things too dirty."

- Robert Crippen

"My earliest memory from childhood is of fishing with my father. And I remember vividly we were in a store, and we were buying a pup tent to go on our first camping trip."

- David Suzuki

## Questions

- What do you usually do when you go camping?
- Have you ever been camping? Did you like it? What did you do?
- Where would you like to go camping in the future?
- Do you think camping is safe?
- If you could only take six items on a camping trip, what would you take?
- If you had hot showers, a TV, a computer and a bed, are you still camping?  
How much modern equipment should you take with you?
- Where do people often go camping in your country?
- What is the best and worst thing about camping?
- What is the best food to eat on a camping trip?

**Presentation** Create a presentation on a future camping trip, explain where you'd like to go and what you'd like to do.
